## FACULTY MEMBERS

Sl. No.	Name	Designation	Subject	Qualification
1.	Mr. Rahul Kr. Bhagat	Principal	Mechanical Engg.	M. Tech.
2.	Mr. Pawan Kumar	HOD	Computer Sc. & Engg.	M. Tech.
3.	Mr. Gandhi Rana	HOD	Electrical Engg.	M. Tech
4.	Mr. Prasenjit Mahato	HOD	Electronics & Comm.	M. Tech.
5.	Dr. Prabhu Kr. Sah	Lecturer	Mathematics	M.Sc., Ph.D. (Maths)
6.	Mr. Abhishek Anand	Lecturer	Mechanical Engg.	M. Tech.
7.	Mr. Amarjeet Kumar	Lecturer	Civil Engineering	B. Tech.
8.	Mr. Baiju Kumar	Lecturer	Electrical Engg.	M. Tech.
9.	Mr. Jitendra Kumar	Lecturer	Electronics & Comm.	B. Tech.
10.	Mrs. Pooja Rani	Lecturer	Electrical Engg.	M. Tech.
11.	Mr. Vinay Sahu	Lecturer	Electrical Engg.	M. Tech.
12.	Mr. Pradeep Kr. Mishra	Lecturer	Chemistry	M.Sc.
13.	Subhash Chandra Jaiswal	Lecturer	English	M.A.

## FACULTY MEMBERS

Sl. No.	Name	Designation	Subject	Qualification
14.	Prince Kumar Tiwari	Lecturer	Mechanical	B. Tech.
15.	Rohit Lakra	Lecturer	Civil	B. Tech.
16.	Aakash Kumar	Lecturer	Mathematics	M. Sc
17.	Rahul Kerketta	Lecturer	Mechanical	B. Tech
18.	Swati Kumari	Lecturer	Civil	B. Tech
19.	Pankaj Kr. Mahto	Lecturer	Computer Science	B. Tech
20.	Bipul Kumar Ghosh	Lecturer	Mechanical	B. Tech
21.	Prakash Kr. Burman	Lecturer	Physics	M. SC
22.	Akash Kr. Gupta	Lecturer	Mechanical	B. Tech
23.	Anu Kumari	Lecturer	Chemistry	B.Sc
24.	Deepak Yadav	Lecturer	Electrical	B. Tech

Apart from the above mentioned teaching staff, some other teachers are also available on Ad hoc as well as contract basis.

## ABOUT THE PROMOTERS

The Indian Educational Foundation was constituted by a group of professionals and technocrats who hail from different areas of Bihar and Jharkhand who realised that special efforts and importance were needed for promoting technical education in the states and particularly amongst the less educated mass of the areas.

To spread technical education, it is believed by the promoters that such type of education will help the entire society both economically and socially. This type of pious attitude resulted in the establishment of the TRUST in 1999.

Taking another step forward in this direction, the promoters established four technical institutes and a school. Last but not the least, they have established this **Vidya Memorial Institute of Technology** which is in the FIFTH place in succession. This institute will be of DIPLOMA standard.

The Trust, 'The Indian Educational Foundation' was awarded "Excellence in Technical Education Award" Gold Medal in the year 2008 by 'The Indian Economic Development & Research Association (IEDRA), New Delhi. The Trust was also awarded "Education Excellence Award" in the year 2014 by 'Associated Chambers of Commerce & Industry of India' (ASSOCHAM), New Delhi.

Vidya Memorial Institute of Technology is an attempt to promote technology revolution by using modern management techniques and potentialities. For the fulfilment of her dreams and pious memory of one of the promoter's bereaved mother the Institute has been named after her.

## FROM THE SECRETARY'S DESK

I am delighted to welcome all the young technical minds in our Institute. It is personally believed by me that to shape young minds into useful technocrats is a need of right attitude and discipline. Our endeavour is to direct these youngsters to develop right attitude in a disciplined environment. We are all set to develop the kind of infrastructure and appoint well qualified faculty and staff to provide best quality technical knowledge so that our students can learn the kind of skill useful to have good jobs in their respective fields. Besides technical skills we emphasize on personality development to attain confidence and competitiveness.

To begin with we have taken up the mandate from several sanctioning agencies for running three year Engineering Diploma courses in CIVIL, MECHANICAL, ELECTRICAL, ELECTRONICS & COMMUNICATION ENGINEERING. The admission to these courses are made through JCECEB.

We are committed to shape up our laboratories, library and academic deliverables with state of the art technology in such manner that it gives every student sufficient opportunities to groom themselves with the best academic as well as personality contents, to be able to meet challenges of the outside world.

I wish you good luck for bright future.

**P. KUMAR**

*Secretary*

## MISSION, VISION & GOAL

To develop as centre of excellence in Engineering & Technology with emphasis on academics, training and compatible infrastructure.

- The Institute has a vision to provide value based education by imparting Engineering & Technical skills among students.
- Creating employment avenues for those who are capable of working with their hands.
- The entrepreneur capability through Entrepreneur Development Programme (EDP) is also highly encouraged.
- To maintain the highest standard of academic quality, integrity and accountability.
- To respect for the views of one and all.
- To respect and appreciate the intellectual excellence and creativity.
- To have proper linkage with the Industries.
- To create and generate resources for running value added programmes for over all curriculum, personality development of students.

Keeping it in view within the financial reach of the common man and the above mentioned mission, vision and goal, Vidya Memorial Institute of Technology was established in aegis of the prestigious THE INDIAN EDUCATIONAL FOUNDATION, RANCHI

# THE INSTITUTE AND ITS AFFILIATION

## DIPLOMA COURSES

Sl. No.	Name of the Branch	Total Seats	Duration	Min. Qualification for Admission
1.	Civil	120	3 years	Matric or 10th pass
2.	Mechanical	180	3 years	Matric or 10th pass
3.	Electrical	180	3 years	Matric or 10th pass
4.	Electronics & Communication	30	3 years	Matric or 10th pass

### Lateral Entry / 2nd year

Pass in 10+2 examination from recognised Board / University with Physics and Mathematics as compulsory subjects alongwith one of the following subjects :

(a) Chemistry (b) Bio-Technology (c) Computer Science (d) Biology / ITI Certificate in relevant Trade.

All branches / courses offered by Vidya Memorial Institute of Technology are approved by All India Council for Technical Education (AICTE). The course curriculum is duly affiliated to The Jharkhand University of Technology, Department of Science & Technology, Govt. of Jharkhand.

AN ISO 9001-2015 CERTIFIED INSTITUTE

# THE INSTITUTE AND ITS AFFILIATION

## Method of Selection

Selection of candidates will be made through JCECEB entrance tests and counselling.

## Commencement of Programme

Once in a year from July

## How to Apply

The admission brochure with admission form will be available from the college counter by a cash of Rs. 500/- only or it can be downloaded from college website [www.vmitranchi.in](http://www.vmitranchi.in). In order to demand it by post/courier send a DD of Rs. 550/- only in favour of "**Vidya Memorial Institute of Technology, Ranchi**".

## Location

About 6-7 kms from Hatia Railway Station/Birsa Munda Airport and about 9 kms from Ranchi Railway Station and Jharkhand State Road Transport Corporation Depot.

## ACADEMIC SYSTEMS

- **RAGGING**

Ragging of students, physically or mentally is not only inhuman & cruel act and a blackspot on the society but now it is also a cognisable offence. Ragging is totally banned in the Institute and anyone found guilty of ragging and/or abetting ragging is liable to be punished by way of rustication and/or summary expulsion and lodging of an FIR with the Police.

Parents may also refer to notification F. No. 37-3/Legal/AICTE/2009 dated 25.3.2009 issued by All India Council for Technical Education, New Delhi, in this regard.

Parents are further advised to warn their children so that they refrain from indulgence in this unlawful activity. College administration and management is determined to keep the VMIT campus ragging free.

- **PROGRESS REPORT (MONTHLY & SEMESTER WISE)**

During the course guardians are furnished with periodical progress reports showing the progress made by their wards and attendance statements also are forwarded at regular intervals.

### PRINCIPAL DESK

Vidya Memorial Institute of Technology (VMIT), Hatia was started by "The Indian Educational Foundation", VMIT has grown strength to strength and today it is recognized across the state for quality education in few years. The institute is affiliated to Jharkhand University of Technology, Jharkhand and presently offers AICTE approved courses in four branches :- Mechanical Engineering, Electrical Engineering, Civil Engineering, Electronics and Communication Engineering. I am sure that every student of VMIT will make a niche in the professional world. I wish all the students of VMIT a very bright future.

## ACADEMIC SYSTEMS

- **IDENTITY CARD**

A Student must obtain his identity card at the time of admission, signed by him and by the person concerned. The Principal's signature on it should be obtained through the person concerned. A student losing his Identity card will have to pay Rs. 50/- and shall have to intimate the institute for the loss incurred by the institute on account of wrongness of the lost Identity card, the Identity card is to be brought to the institute everyday.

- **SCHOLARSHIPS**

There is a provision for awarding of scholarships to meritorious students.

- **DRESS**

Students provide themselves with the prescribed uniform for classes and workshops

- **INDUSTRIAL TOURS**

The Institute make arrangement for Industrial Tours for which the expenses are borne by the Students themselves.

- **COLLEGE NOTES**

There is a scheme to issue xeroxed class notes as and when possible. It is priced publication on actual cost basis, for which the students may have to pay additional charges, when such a scheme is introduced. Till then, the class notes are continued to be dictated.

- **TOOLS, EQUIPMENTS & BOOKS**

The students must have their own tool-kits, drawing instruments and text books as specified by the Institute. All special tools and equipments are provided by the institute during the training period. A list of tools and books are given to the students after admission which may be purchased locally as and when needed.

- **ATTENDANCE**

Students must attend 75% classes otherwise they will not be allowed to sit for the further examinations.

- **SPORTS & CULTURAL ACTIVITIES**

The overall personality development necessitating that sufficient emphasis be laid on sports and cultural activities besides focussing of attention on academic excellence. Hence, institute promotes sports and cultural activities of the students.

# ACADEMIC SYSTEMS

- **EXAMINATION**

Students must appear at the following examinations and tests in addition to the final examination at the end of institutional training (a) short tests (b) Semester Examination at the end of six months .

These extensive tests are conducted in order to ensure a satisfactory progress both theoretical and practical classes. Students not appearing in the Semester Examination are debarred from appearing at the next semester class/final examination. No excuses for guardians or students are accepted.

- **MARKSHEET**

Marksheets are issued by the Jharkhand University of Technology on completion of each and every examination. Duplicate marksheets may be issued as per the rule of the concerned University.

- **TUITION FEE**

All the fees should be paid directly to the office in cash or by D. D. to be sent to the Vidya Memorial Institute of Technology, Tupudana, Ranchi - 834003

- **FINE**

If a student fails to clear his dues within the prescribed time limit, a fine of Rs. 10/-per day for a period of 30 days from the due date is charged. After 30 days if dues still remain unpaid, the name of the student is struck off from the Institute Register.

Revival of studentship requires fresh re-admission fee plus fine. Students must ensure that payment of their TUITION FEE is made either in advance or on due dates. They will not be allowed to fall in arrears of TUITION FEES under any circumstances.

# INFRASTRUCTURES

- **CAMPUS & BUILDING**

The Institute has its own campus with a well equipped workshop, a well stocked library and spacious Lecture rooms with well equipped modern aid facilities. The campus provides an ambience that is conducive to learning and spread over 6.00 acres of land with a built up area of over 1,50,000 sq. ft.

- **LIBRARY**

The Institute has an exhaustive range of Books in the library. It serves as the perennial source of knowledge as well as faculty members having an optimum number of Books on various current and emerging technologies related to various Branches.

- **WORKSHOP**

The Institute has big workshop where Engineering students can learn about basics of manufacturing or production industries. It is equipped with quality machines & tools, complete safety is ensured while the students work or learn on these machines and equipments.

- **COMPUTER LAB**

Computer department deals with both Hardware and Software aspect of computer which provides ways to speed up and optimise the work of the industry as well as the common people. Computer Engineering labs develop the software skills of students.

- **LANGUAGE LAB**

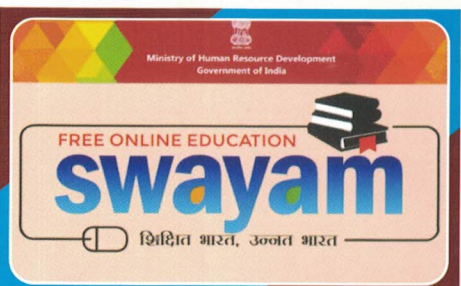

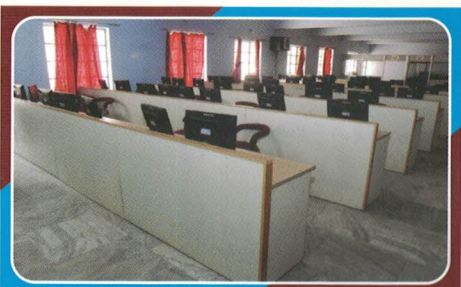

Language laboratory is a dedicated space for foreign language learning where students access audio or audio-visual materials. They allow a teacher to listen to and manage student audio, which is delivered to individual students through headsets or in isolated sound booths.

- **HOSTEL FACILITY**

The Institute helps for the accommodation of outstation students in close proximity of the Institute to enable students to devote their time and energy more usefully in the pursuit of their objectives.

- **CANTEEN FACILITY**

College has a well maintained canteen where all the necessary items are available.

# PLACEMENTS

- **TRANSPORTATION FACILITY**

Bus facility is available for students.

- **MEDICAL FACILITY**

Medical facilities are available.

- **PLACEMENTS CELL**

The institute co-ordinates several supportive placement activities designed to assist the students. The placement cell maintains continuous contact with industrial concerns and other agencies to assist in placing the students. The cell is headed by a placement officer, assisted by an Advisory Board consisting of faculty members and students. Senior Executives from various industries and other agencies are contacted to conduct campus interviews.

- **ENTREPRENEURIAL DEVELOPMENT PROGRAMME**

V.M.I.T. will provide its students a special short term programme on entrepreneurial management. After getting training students can establish their own business, for which the Institute will provide necessary guidance.

# RULES AND REGULATIONS

## • GENERAL RULES AND REGULATIONS

- (1) Students shall have to obey all the rules and regulations of the institute and breach of any one of these may render them liable for expulsion from the institute. Strict discipline in the institute is to be emphasized.
- (2) The Institute reserves the right to make any alteration in the course contents of the programmes, rules and regulations, teaching schedule, timings, fees payable and any other matter relating to its functioning.
- (3) The Institute may also decide not to impart instructions in any of the notified courses without assigning any reason.
- (4) Fees are to be paid as per schedule given to the students. In case of default the students shall not be allowed to sit for the examination.
- (5) If a student fails to clear his/her dues within the prescribed time limit as notified by the institute, a fine of Rs. 10/- per day will be charged.
- (6) The Institute will neither accept any responsibility in respect of the property of students that may be lost within the institute premises nor does it accept any liability for injuries during the course. However, first aid facilities are always available to the students for minor injuries.
- (7) Any dispute whatsoever would only be settled in a court at RANCHI.

# RULES AND REGULATIONS

## NOTES

- (1) If any selected candidate withdraws or dismissed from the Programme for any reason whatsoever, his/her fees will be forfeited except the refundable deposits.
- (2) All fees are paid by cash or demand draft made out in favour of VIDYA MEMORIAL INSTITUTE OF TECHNOLOGY, RANCHI, Dist. Ranchi, Jharkhand.
- (3) Examining Body will facilitate registration of students and appearing for examinations, final decision for acceptance of the application rests with the examining body while passing of examinations depends significantly upon the effort of students.

## OUR RECRUITERS

# PHOTO GALARY

## 22 विद्यार्थियों का हुआ कैपस सेलेक्शन

रांची, तूपुदना स्थित विद्या मेमोरियल इंस्टीट्यूट ऑफ टेक्नोलॉजी के 22 विद्यार्थियों का चयन कैपस प्लेसमेंट से किया गया. कैपस सेलेक्शन ड्राइव का आयोजन डेकिन एसी की ओर से किया गया. प्राचार्य राहुल भगत ने चयनित विद्यार्थियों को शुभकामनाएं दीं.

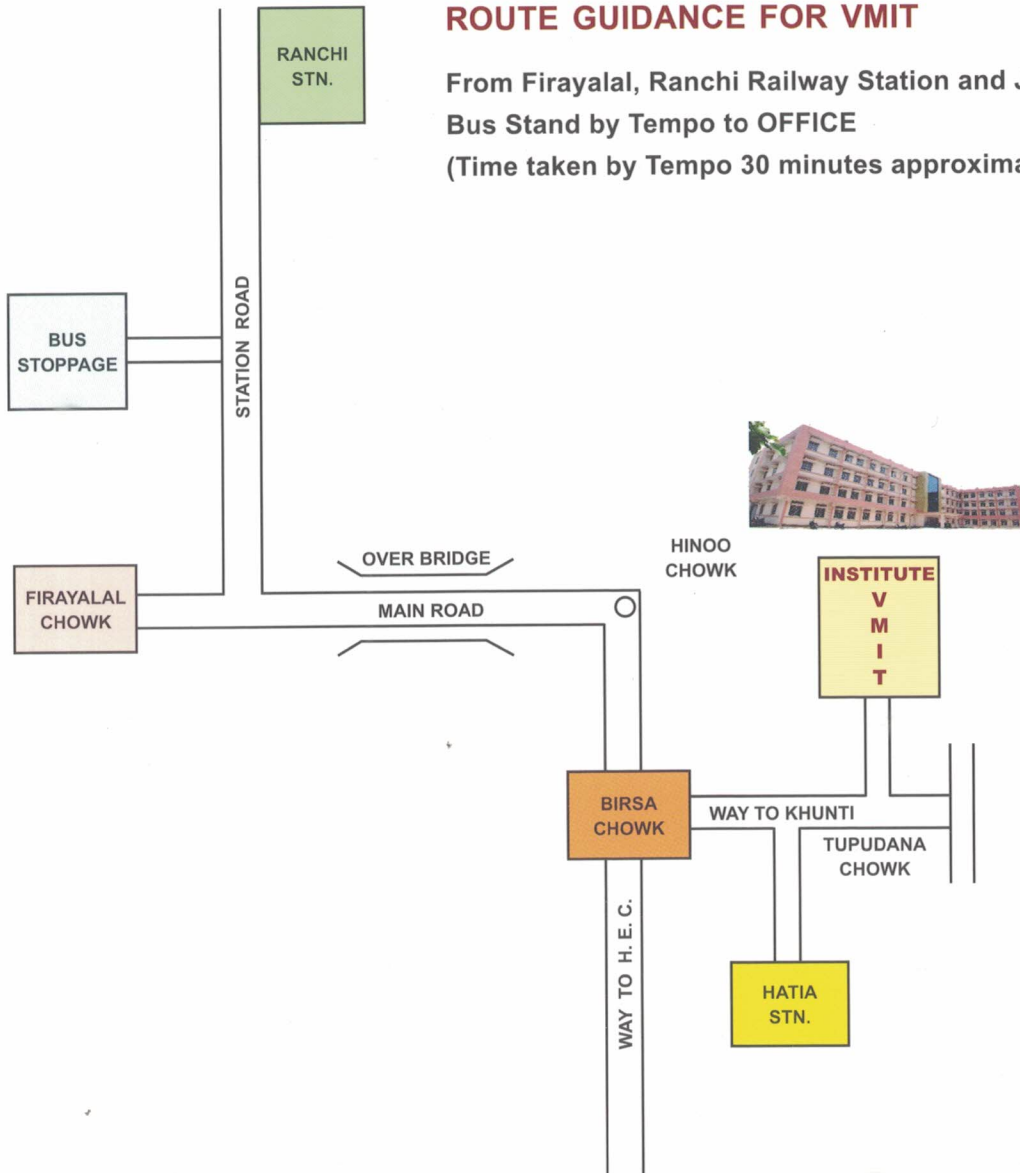

## वीएमआइटी के 24 स्टूडेंट्स का हुआ कैपस प्लेसमेंट

रांची, विद्या मेमोरियल इंस्टीट्यूट ऑफ टेक्नोलॉजी तूपुदना के 24 स्टूडेंट्स का प्लेसमेंट हुआ है. इन विद्यार्थियों का चयन ग्रिफे टेक्नोलॉजी कोलकाला व भुवनेश्वर के लिए हुआ है. स्टूडेंट्स 4.8 लाख प्रतिवर्ष के पैकज पर चयनित किये गये हैं. प्राचार्य राहुल भगत ने बताया कि 18 मई को संस्थान के मैकेनिकल, सिविल, इलेक्ट्रिकल और इलेक्ट्रॉनिक्स इंजीनियरिंग के विद्यार्थियों को ऑनलाइन लिखित परीक्षा हुई थी. इसके बाद इन्हें कैपस प्लेसमेंट में शामिल किया गया.
